**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose a competitive provider because I am fed up with the sub par service being provided by the current providers like att and Comcast. In the other parts of the world speeds are higher and cost are less. I want same here in us. And hence want more competition.

I Say NO to price hikes that will increase the cost of internet and telephone services.

I work from home a lot so that i can take care of my daughter and be with her.

I do want faster internet in rural areas so that they can take advantage of internet of things like services.

Thanks,
